Richard Parry

Disclaimer

Young London was the name of a V22 Plc. exhibition held in Bermondsey, south east London throughout June 2011, promoted as having *brought together 35 of London's brightest emerging artists, and was heavily attended by art lovers and creatives from across the city*. Young London by Richard Parry for Edinburgh Annuale is a separate undertaking. Any similarities between these projects (other than identical exhibition and artwork titles) is entirely coincidental.
